

Notification to Applicant

All appointments by the Board of Pilot Commissioners for the Port of Corpus Christi Authority (“Pilot Board”) are contingent upon acceptable results of a background check. Background checks are conducted by or on behalf of the Application Review Committee for the Board of Pilot Commissioners for the Port of Corpus Christi Authority (“Application Review Committee”) for all Deputy Pilot applicants. Background checks will include the investigation of certain applicant information, including, without limitation: social security verification, prior employment verification and related prior employer information, conferring with personal references as provided by applicant, verification of applicant’s educational history, review of applicant’s state motor vehicle records, and an investigation of applicant’s criminal history, if any, (including, without limitation, reviewing any criminal convictions and probations). The following factors will be considered for applicants having a criminal history:

- The nature of any conviction of a crime and its relationship to the position.
- The period of time since any conviction.
- The number (if more than one) of any convictions.
- Whether the applicant would pose an unreasonable risk to the Port of Corpus Christi, its employees, customers, vendors, or the general public.
