

Notification to Branch Pilot License Renewal Applicants

All Branch Pilot License renewals by the Board of Pilot Commissioners for the Port of Corpus Christi Authority (“Pilot Board”) are contingent upon acceptable results of a background check. Background checks are conducted by or on behalf of the Pilot Board for all Branch Pilot Renewal Applicants (“Applicants”). Background checks include an investigation of Applicant’s criminal history, if any (including, without limitation, reviewing any criminal convictions and probations). The following factors will be considered for Applicants having a criminal history:

- The nature of any conviction of a crime and its relationship to the position.
- The period of time since any conviction.
- The number (if more than one) of any convictions.
- Whether the Applicant would pose an unreasonable risk to the Port of Corpus Christi, its employees, customers, vendors, or the general public.
