

December 1, 2024

NOTICE TO ALL PORT USERS:

The rates, terms and conditions of the Aransas-Corpus Christi Pilots (the "ACCP Tariff") includes a transportation fee. The ACCP Tariff states the transportation fee is indexed to the cost of marine diesel and will be adjusted every six (6) months to neutralize the cost of fuel. The current transportation fee is \$95.37 per movement. The last fee adjustment was on June 1, 2024. The price per gallon of marine diesel has decreased 7.849% or \$7.49 since the last adjustment.

Effective December 1, 2024, the transportation fee has decreased to \$87.88 per movement.
